2. New teams entering the League may be assessed prior to entry and may be placed in the appropriate division providing that there is a place vacant in that division.
 - 2.1. League divisions will be decided at the discretion of the Committee. Abuse of this rule will result in re-assessment of their present divisional position and re-entry to the league.
3. Points awarded to each team will be:-
5 (five) points for a win, 3(three) points for a draw, 2(two) points if 5 (five) goals or less of winning score and 1(one) if 50% of winning score was achieved. In the event of equal points the goal difference will determine the end result.

Umpires carrying an existing injury will not be covered by EN insurance if the medical aid doesn't meet with the guidelines set out in the domestic rules.

6. Prior to commencement of a match, it is the responsibility of the coach or captains to approach the umpires to determine the area of the court to be designated for the qualified coach and 5 (five) additional players of each team and supporters. Games can be played with a minimum of 5 (five) players per team.
9. If a team does not turn up to play, their opponents must claim the points WITHIN THREE DAYS OF THE FIXTURE by submitting a score sheet and stating reason. Teams conceding matches will be deemed to have lost the game by 20 goals. Failure to comply then Rule 18 will apply. Umpiring fees are at the discretion of each team.
10. All matches to be played on the date stated on the fixtures. If in extreme circumstances a team is unable to honour a fixture on the arranged date and if their opponents and Fixtures Secretary agree, they may play the game by 31st August (Summer League), or the game will be void.
