New netballs posts for CWHS

CWHS have now taken delivery of 12 shiny new netball posts. This was all made possible by WCNL working with the school, part funding the project through our Development Fund. Please note: these posts are not for climbing on, please ensure they are used appropriately and always put away carefully - thank you!

The WCNL committee, and many teams in the league, were very saddened to hear Becky Giddins lost her long and courageous battle with cancer. Becky made a huge contribution to netball, both as a player and coach, her friendly and supportive nature has influenced many younger players to participate in the sport. We send our heartfelt sympathies to all Becky's family and friends, she will be sadly missed by all who knew her.

New netball rules ...

The new rules come into force from the 1st September 2016. WCNL will be embracing the new rules, we will email details of the new rules out with the AGM paperwork and with the winter fixtures.

However, please note some rules only really apply to games at a regional /national level and not at a domestic level. The regional guidance for domestic games will not be available until mid-September - we plan to go over these rule changes and how they effect our domestic game at the AGM.
