WCNL supported charity2017

Following on from the sad loss of Becky Giddins, who devoted a huge amount of time to netball in Worcestershire, our charity of the year for 2017 will be Macmillan Cancer. Many thanks to Cathy Bedney from Worcester Netball for your suggestion based on the support Becky's family and many other families receive from Macmillan.

Proceeds from the Stuart Vernalls Tournament will be presented to this very worthwhile charity at the WCNL AGM.

COURT FEES

The cut-off date for half-season court fees to be paid is the end of Feb 2017 - there are only a few teams outstanding. The league has to pay court fees up front so it is important teams pay their court fee invoices ASAP. Many thanks
