What we do with the information we collect

WCNL takes your privacy very seriously and will never disclose, share or sell your data without your consent; unless required to do so by law. We only retain your data for as long as is necessary and for the purpose(s) specified in this notice.

We require information to understand your needs and provide you with a better service, and in particular for the following reasons:

Security

We are committed to ensuring that your information is secure.

Manual data –

This relates to entry forms you complete for WCNL. These forms only request relevant information, they are received and retained by the WCNL Fixtures Secretary. The Fixtures Secretary creates a spread sheet of clubs/teams/players for the relevant season so she is able to cross reference score sheets following each game. Once processed all forms are locked in a secure place and only kept for the duration of the relevant league season. At the end of the season all forms are shredded using a reputable shredding company. Once all teams/clubs are associated with WCNL on ENgage, a separate spread sheet will no longer be required as contact details will be accessible to appropriate members of the WCNL Committee.
